Report on "Quiz Competition in Celebration of National Technology Day 2025"

Date: 13th May 2025

Time: 11:00 AM onwards

Venue: KIHEAT Campus

Introduction

Kamal Institute of Higher Education and Advance Technology (KIHEAT), under the guidance of the Institution's Innovation Council (IIC) and the Ministry of Education, Government of India, commemorated National Technology Day by organizing a Quiz Competition on 13th May 2025. This day holds historical significance as it marks India's technological advancement in nuclear science through the successful Pokhran-II tests conducted in 1998.

Celebrating this spirit of scientific progress, the event aimed at encouraging curiosity, promoting awareness about science and technology, and cultivating an environment where students can engage intellectually and challenge themselves in a competitive yet learning-oriented space. The initiative aligns with KIHEAT's broader vision to empower students with knowledge that is dynamic, practical, and futuristic.

Participants

Students from the following programs participated enthusiastically in the competition:

- BBA (Bachelor of Business Administration)
- BCA (Bachelor of Computer Applications)
- B.Com (Hons.) (Bachelor of Commerce with Honors)

Objectives

- To commemorate National Technology Day by reflecting on India's technological journey and global achievements.
- To build awareness among students about innovations in science, engineering, and digital technology.
- To test and enhance students' knowledge on technology, innovation, and their applications in daily life.
- To provide a healthy platform for inter-departmental participation and competitive learning.
- To cultivate critical thinking, logical reasoning, and team collaboration among students.

Summary of the Session

The event began with a formal welcome address by Dr. Priti Srivastava, Principal and President of IIC KIHEAT, who highlighted the importance of technological education in today's era and encouraged students to embrace innovation as a tool for problem-solving and nation-building.

The Quiz Competition was meticulously planned and executed in best manner.

A written MCQ-based questions were used to shortlist the winners from all participants.

Quiz Included diverse segments such as General Tech Awareness, Visual Identification, India's Achievements in Science and Technology and recent innovations, patents, and contributions of Indian scientists and technocrats.

Students from all streams – BBA, BCA and B.Com participated with great enthusiasm. The competition was not just about winning but about learning.

The quiz was conducted and moderated by faculty members under the guidance of Dr. Saurabh Kumar Mishra, Vice President IIC KIHEAT, who also acted as the Event Coordinator. The scoring and judging were transparent and fair, ensuring a smooth experience for all.

Outcome of the Activity

The event yielded several positive outcomes and was deemed highly successful by faculty and students alike:

- **Enhanced Knowledge:** Participants gained deeper insights into technological history, present developments, and futuristic innovations.

- **Skill Development:** The competition encouraged participants to think critically under time constraints.
- **Encouraged Curiosity:** The event sparked curiosity among students to further explore technology-related fields and pursue innovative projects.
- **Fostered Innovation Culture:** The celebration reinforced KIHEAT's commitment to fostering an innovation-driven learning environment.

Conclusion

The Quiz Competition organized on National Technology Day 2025 was a memorable and intellectually stimulating event. The winners were felicitated with certificates and prizes as a token of appreciation for their exemplary performance. All participants were acknowledged for their enthusiastic involvement, which contributed to the event's overall success.

Dr. Priti Srivastava, in her closing remarks, emphasized the significance of nurturing young minds to be technologically proficient and innovative. She congratulated the organizing team for their dedication and thanked all faculty coordinators for their seamless execution of the event.

Such events play a crucial role in not only imparting knowledge but also in building confidence and competitive spirit among students, preparing them for future academic and professional challenges.

Report on "World Creativity and Innovation Day Celebration 2025"

Date: 21st April 2025

Time: 11:30 AM Onwards

Venue: KIHEAT Campus

Introduction:

Kamal Institute of Higher Education and Advance Technology (KIHEAT), under the aegis of the Ministry of Education's Institution's Innovation Council (IIC), proudly celebrated World Creativity and Innovation Day on 21st April 2025 at the KIHEAT campus. The event aimed at fostering creative thinking and encouraging innovative ideas among students, aligning with the global mission of recognizing creativity as a key driver for sustainable development.

Objectives:

The celebration was intended to:

- Promote creative thinking and innovative practices among students.
- Provide a platform for expressing unique ideas through debate and art.
- Highlight the role of innovation in addressing modern societal and technological challenges.
- Celebrate and appreciate diverse perspectives on emerging issues like artificial intelligence.

Event Highlights:

The day witnessed enthusiastic participation in two major events:

Debate Competition

- **Topic:** *Is Artificial Intelligence a Threat or a Boon to Human Creativity?*
- The debate featured compelling arguments from both sides, offering insightful perspectives on the evolving relationship between AI and human innovation. Students showcased commendable research, articulation, and critical thinking.

Poster Making Competition

- **Theme:** *Transforming Tomorrow, Ideas that Bloom: Making a Positive Impact*
- This event brought forth vibrant expressions of creativity as students illustrated their visions for a better tomorrow. The posters reflected diverse ideas that blended imagination with social consciousness.

Outcome:

The celebration of World Creativity and Innovation Day served as a stimulating experience for all participants. It:

- Fostered a spirit of innovation and creativity.
- Encouraged open dialogue on contemporary technological issues.
- Enabled artistic and intellectual expression among students.
- Contributed to building a dynamic and innovative academic environment at KIHEAT.

Conclusion:

The event concluded with the distribution of certificates and prizes to the winners of both competitions. The organizing team was appreciated for their excellent coordination. Dr. Priti Srivastava Principal and President, IIC KIHEAT, expressed her heartfelt gratitude to all the participants and emphasized the institute's commitment to nurturing creative and critical thinkers prepared for the challenges of tomorrow.

Report on "Quiz Competition, Celebrating Jan Jatiya Gaurav Varsh (Tribal Pride)"

Date: 28th March 2025

Time: 2:00 PM Onwards

Coordinators: Mr. Anil Kumar Gupta & Ms. Ritu Kaul

Venue: KIHEAT

Introduction:

The Kamal Institute of Higher Education and Advance Technology (KIHEAT), organized a Quiz Competition as part of the Jan Jatiya Gaurav Varsh (Tribal Pride Year) celebrations. The event, held in the presence of Program Coordinators Mr. Anil Kumar Gupta & Ms. Ritu Kaul, saw enthusiastic participation from students of BCA, BBA, and BAJMC courses. The initiative aimed to honor and recognize the contributions of tribal communities to India's cultural, historical, and social fabric.

Objectives:

The primary objectives of the quiz competition were:

- To create awareness about the rich cultural heritage and historical contributions of tribal communities in India.
- To celebrate the legacy of tribal leaders who played a crucial role in India's independence and social reforms.
- To instill a sense of pride and respect for the tribal traditions and values among students.
- To enhance students' knowledge and competitive spirit through an engaging and educational activity.
- To promote inclusivity and appreciation for the diverse tribal cultures that form an integral part of India's identity.

Event Highlights:

The Quiz Competition was structured focusing on different aspects of tribal history, culture, and notable personalities. It included:

- General Awareness – Covering fundamental knowledge of tribal communities in India.
- Historical Leaders – Highlighting the contributions of leaders such as Birsa Munda, Rani Gaidinliu, and Tana Bhagat.
- Cultural Heritage – Featuring questions on tribal languages, art, music, and traditions.
- Rapid Fire – Testing quick thinking and knowledge retention among participants.

The competition was highly engaging, with teams representing different academic disciplines. The students displayed remarkable enthusiasm and commitment, making the event a grand success. The top three teams were awarded certificates of appreciation and trophies in recognition of their outstanding performance.

Outcome:

- Successfully promoted awareness and appreciation of tribal history, culture, and contributions.
- Witnessed enthusiastic participation from students across various departments.
- Featured engaging quiz rounds covering tribal heritage, history, and leaders.
- Provided a platform for students to enhance their knowledge of India's tribal communities.
- Recognized top-performing teams with certificates and awards.
- Encouraged future initiatives to celebrate and honour tribal legacy.

Conclusion :

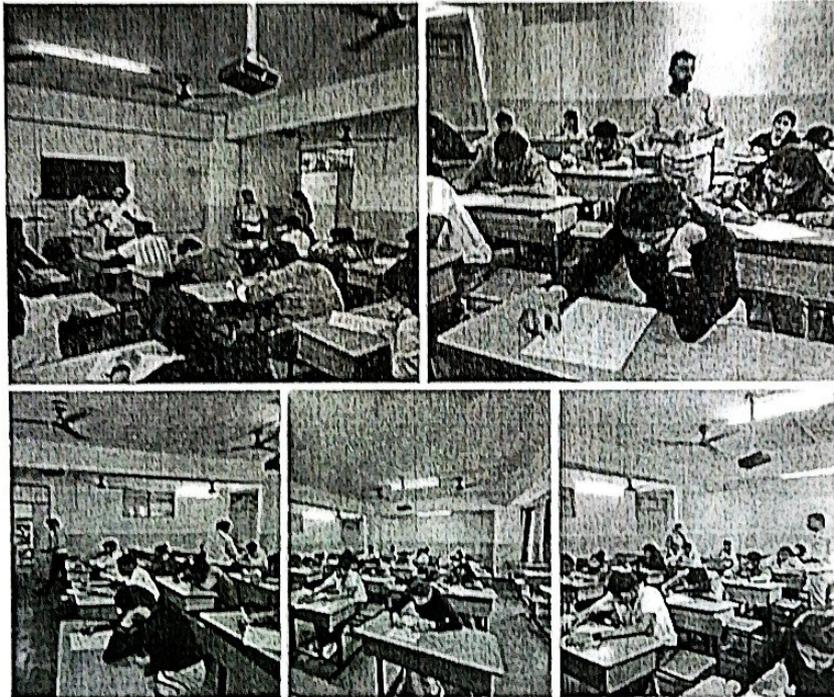

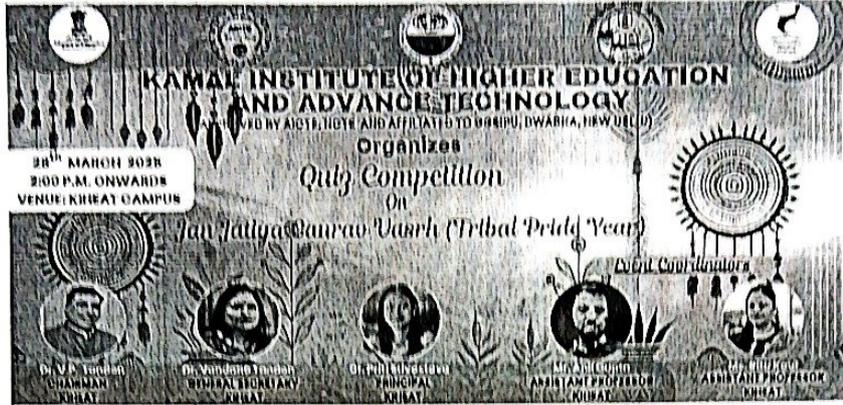

The Quiz Competition on Jan Jatiya Gaurav Varsh was a significant step in fostering awareness and appreciation for tribal heritage among students. The event successfully met its objectives by educating participants on the invaluable contributions of tribal communities and instilling a sense of pride in India's diverse cultural landscape. Under the exemplary leadership of Dr. V.P. Tandon and the dedicated efforts of Mr. Anil Kumar Gupta and Ms. Ritu Kaul, KIHEAT reaffirmed its commitment to holistic education and cultural awareness. The event concluded with a vote of thanks, emphasizing the importance of continued learning and respect for India's tribal heritage.

Report on "National Education Day"

Date: 11th November 2024

Time: 2:00 PM Onwards

Coordinators: Ms. Ritu Kaul and Ms. Shweta

Venue: Kamal Institute of Higher Education and Advance Technology

Introduction:

On 11th November 2024, Kamal Institute of Higher Education and Advance Technology celebrated National Education Day with a Poster Making Competition. This event honored Maulana Abul Kalam Azad, India's first Education Minister, and his contributions to the Indian education system. The competition encouraged students to explore the theme of education, its significance, and its transformative power, all through the medium of art.

Participants:

Students from the following programs participated enthusiastically in the competition, each bringing unique perspectives on education:

- BBA (Bachelor of Business Administration)
- BCA (Bachelor of Computer Applications)
- B.Com (Hons.) (Bachelor of Commerce with Honors)
- BAJMC (Bachelor of Journalism and Mass Communication)

Objectives:

The main objectives of the National Education Day Poster Making Competition were to:

- Raise awareness about the importance of education in personal and societal growth.
- Encourage students to express their understanding of educational values creatively.
- Commemorate Maulana Abul Kalam Azad's contributions to education.
- Provide a platform for students to showcase their artistic skills and insights on the role of education.

Event Summary:

The event began at 2:00 PM with an introduction by the coordinators, Ms. Ritu Kaul and Ms. Shweta, who highlighted the significance of National Education Day. Students were then provided with art supplies and an hour to create posters centered on themes such as the power of knowledge, the role of education in empowerment, and the need for continuous learning.

Each poster displayed a unique perspective, capturing elements like the transformative nature of education, the pursuit of knowledge, and the role of teachers. Students incorporated quotes and visuals representing the value of education and the importance of access to learning for all.

Key Points Reflected in Posters:

- **Power of Knowledge:** Posters highlighted how education empowers individuals and transforms societies.
- **Equality in Education:** Some posters focused on making education accessible for all, promoting the importance of equality.
- **Role of Teachers and Mentors:** Students expressed gratitude for educators and depicted them as guides in the journey of learning.
- **Continuous Learning:** A few posters emphasized the lifelong value of education and the importance of adapting to changes through learning.

Result and Certificate:

Once the posters were completed, they were displayed for evaluation by faculty members who assessed them based on creativity, relevance, and clarity of message. Three outstanding entries were awarded certificates and prizes as recognition of their creative talent and insight.

Outcomes of the Competition:

- **Increased Awareness about Education:** The competition allowed students to reflect on the vital role of education in personal and societal development.
- **Creative Expression:** Students could express their views on education artistically, enhancing their creative and reflective skills.
- **Sense of Achievement:** The event encouraged participants, and those who won prizes felt a strong sense of accomplishment.

Conclusion:

The National Education Day Poster Making Competition was a memorable event that inspired students of Kamal Institute of Higher Education and Advance Technology to think critically about the importance of education. Through art, students engaged with the theme of education and honored Maulana Abul Kalam Azad's legacy. The event concluded successfully, leaving participants more aware of the educational values that shape society and motivate lifelong learning.

Report on "National Entrepreneurship Day"

Date: 9th November 2024

Time: 11:00 A.M Onwards

Venue: KIHEAT Campus

Introduction:

To celebrate National Entrepreneurship Day, **Kamal Institute of Higher Education and Advance Technology** hosted a poster-making event dedicated to exploring and appreciating entrepreneurship. This celebration provided a platform for students to express their understanding of entrepreneurship visually, emphasizing its importance for innovation, resilience, and societal growth. The posters created served as a testament to the students' creativity, knowledge, and enthusiasm for the entrepreneurial journey.

Participants:

The celebration included enthusiastic participation from students across various disciplines, contributing diverse viewpoints:

- BBA (Bachelor of Business Administration)
- BCA (Bachelor of Computer Applications)
- B.Com (Hons.) (Bachelor of Commerce with Honors)
- BJMC (Bachelor of Journalism and Mass Communication)

Objectives:

The key objectives of the National Entrepreneurship Poster Celebration were:

- To promote a culture of entrepreneurship through creative expression.
- To encourage students to reflect on and illustrate their understanding of entrepreneurial concepts.
- To enhance awareness of entrepreneurship as a career path and its impact on society.
- To foster collaborative engagement and peer learning through shared visual interpretations of entrepreneurship.

Event Summary:

The event focused solely on poster-making, where students created visual representations celebrating entrepreneurship. The posters reflected themes such as innovation, resilience, sustainability, and leadership, each representing different aspects of entrepreneurship. Students used various materials to craft their posters, and their work was displayed at the event venue, creating a gallery of entrepreneurial ideas. This display allowed participants and visitors to engage with each other's creative interpretations and share insights.

Key Points Reflected in Posters:

1. **Creativity and Innovation:** Many posters illustrated the importance of innovative thinking in entrepreneurship, highlighting the need to solve real-world problems.
2. **Resilience and Determination:** Some posters focused on the challenges entrepreneurs face and the resilience required to overcome setbacks and achieve success.
3. **Technology and Digital Tools:** Students emphasized the role of technology in modern entrepreneurship, with posters depicting digital marketing, e-commerce, and data analytics.
4. **Sustainability and Social Responsibility:** Several posters illustrated themes of sustainable entrepreneurship, stressing the importance of socially responsible business practices.
5. **Personal Growth and Leadership:** Posters depicted entrepreneurship as a path to personal development, emphasizing skills such as leadership, adaptability, and decision-making.

Outcomes of the Event:

1. **Enhanced Appreciation for Entrepreneurship:** The poster celebration helped deepen students' understanding and appreciation of entrepreneurship's role in society.
2. **Creative Engagement and Expression:** The activity provided students with a platform for creative expression, encouraging them to think critically about entrepreneurship concepts.
3. **Peer Learning and Collaboration:** By viewing each other's work, students gained diverse insights into entrepreneurship, fostering a sense of collaboration and shared learning.
4. **Increased Interest in Entrepreneurship:** The event inspired several students to explore entrepreneurship as a career option and consider how they could contribute to this field.

Conclusion:

The National Entrepreneurship Day Poster Celebration was a successful initiative that achieved its goals of promoting an entrepreneurial spirit and fostering creativity among students. Through their posters, students were able to visually capture the essence of entrepreneurship, showcasing themes of innovation, resilience, and social impact. This celebration provided an opportunity for students to reflect on the values of entrepreneurship and inspired many to consider its role in their future careers. The event was a memorable and impactful celebration of entrepreneurial ideas, encouraging students to embrace creativity and innovative thinking.

DR. ANUDEEP ARORA
DIRECTOR & IIC PRESIDENT, KIHET

Report on Janmashtami Celebration & Dahi Handi Competition

Date: 24 August 2024

The Janmashtami Celebration organized by B.Ed. Department of Kamal Institute of Higher Education and Advance Technology was a joyful and colorful occasion that brought together students, faculty, and esteemed guests to celebrate the birth of Lord Krishna. The event was filled with cultural performances, traditional rituals, and moments of spiritual reflection.

The celebration began with a warm welcome of our esteemed chief guest, Dr. Ved Prakash Tandon (Chairman), Dr. Vandana Tandon (General Secretary), Ms. Sakshi Tandon (Vice Chairperson) and Dr. Anudeep Arora (Director) who were invited to grace the occasion. The chief guest shared their happiness to be part of the celebration and wished everyone well.

Followed by this, a few students delivered a speech emphasizing the significance of Janmashtami. They spoke about the values Krishna taught, such as truth, devotion, and righteousness. The students did a great job in reminding everyone about the importance of these teachings in today's world. Adding to this, our respected Principal, Dr. Priti Srivastava also spoke about the timeless teachings of Lord Krishna from Bhagavad Gita that many people may not know. These included tales of Krishna's wisdom, his love for music and dance, and his role as a divine statesman in the Mahabharata. The speech encouraged the students to incorporate these values in their daily lives, both academically and personally.

Next, there was a vibrant Dandiya performance by the students. Dressed in colorful traditional outfits, they danced to energetic music, twirling and tapping their dandiya sticks. The performance was lively and captured the festive spirit of the day. The Dandiya performance was one of the main attractions of the evening, adding cultural depth to the celebration, making it even more fun.

One of the most exciting events was the **Matki Phod**, symbolizing Krishna's playful childhood. A pot filled with curd was tied high up, and students tried to break it by forming human pyramids. The crowd cheered as the students attempted to reach the pot. After a few tries, they succeeded in breaking the pot, which led to loud applause and celebration.

The celebration ended with the distribution of prasad to all students, teachers, and guests and all the students and teachers received it with respect and joy. Sharing prasad brought the event to a peaceful and happy close.

NATIONAL SPORTS DAY

National Sports Day was celebrated with great enthusiasm and excitement on 28th August 2024 by the B.Ed. department of Kamal Institute of Higher Education and Advance Technology marking the birth anniversary of the legendary hockey player **Major Dhyan Chand**. The objective of celebrating National Sports Day was to promote sports and physical fitness. It also encouraged students to participate in physical activities and recognize the achievements of athletes.

On this occasion, students of B.Ed. highlighted the importance of National sports day. They also highlighted the achievement of famous sports personalities. A quiz was conducted to enhance the knowledge of students. Yoga and Meditation sessions were held to promote mental health and physical wellness. The Principal Dr. Preeti Srivastava encouraged all students to actively participate in sports for their physical and mental well-being.

World Rivers Day

World Rivers Day was celebrated in Kamal Institute of Higher Education and Advance Technology by the B.ED. department on 24th September 2024. Rivers are the lifelines of the environment and human civilization.

The objective of celebrating the day was to highlight the importance of rivers and the challenges they face including pollution and over extraction. The event encouraged actions to restore and protect rivers, improving their water quality and health.

The students in their speech encouraged everyone to contribute to river conservation. Poem recitation was also held.

11(6)
11

HINDI DIWAS

Hindi Diwas was celebrated by the students of B.Ed. department of Kamal Institute of Higher Education and Advance Technology on 14th September 2024. The day is celebrated to honour the adoption of Hindi as one of the official languages of India. On 14th September 1949, the Constituent Assembly of India declared Hindi, written in the Devnagari script, as the official language of the Republic of India.

The objective of celebration was to promote the language and its rich cultural heritage. Students conducted quiz, word game, presented speeches on the importance of Hindi, its historical significance and its role in shaping India. Through a wide range of activities and events, Hindi Diwas fostered a deeper connection with our national language and enforced its significance preserving India's heritage.

AIR FORCE DAY CELEBERATION REPORT

The Air Force Day was celebrated with great enthusiasm on October 8, 2024, by the B.ED Department of Kamal Institute Of Higher Education and Advance Technology. The celebration was organized to honor the valor and dedication of the Indian Air Force, which has been protecting our skies since its establishment in 1932.

The programme began with the speech highlighting the significance of Air Force Day. Emphasis was placed on the IAF'S motto "**Touch the Sky with Glory**". Students performed inspirational patriotic songs. The performance enhanced the patriotic atmosphere of the event. An interactive Quiz was also held which tested participant's knowledge about Indian Air Force History, Notable achievements, Distinguished Air Force Personnel and Aircraft and Operations.

This celebration served to instill a sense of pride and awareness among students about the Indian Air Force's crucial role in national security.

Report on "Food Donation Drive"

Date: 9th November, 2024

Time: 10:00 A.M Onwards

Coordinators: Dr. Ranjeeta Kaur, Ms. Neha Arora

Venue: DISHA Center, Janakpuri

Introduction

The Kamal Institute of Higher Education & Advance Technology, in collaboration with the NSS Cell, organized a food donation drive and a visit to the DISHA Center in Janakpuri on November 9, 2024. This center, dedicated to supporting children with mental disabilities, provided an ideal environment to foster compassion and social responsibility among students. The event highlighted the institute's dedication to community welfare and nurturing an ethos of giving.

Participants

The event saw active and enthusiastic participation from students across various disciplines:

- BBA (Bachelor of Business Administration)
- BCA (Bachelor of Computer Applications)
- B.Com (Hons.) (Bachelor of Commerce with Honors)
- BJMC (Bachelor of Journalism and Mass Communication)

These students contributed their energy and creativity, ensuring the success of the initiative.

Objective

The primary goals of the event were:

1. To provide support and sustenance to children and families at the DISHA Center.
2. To instill a spirit of empathy and social responsibility among students.
3. To encourage active community engagement and raise awareness of societal challenges.

Summary of the Session

The session featured various engaging activities designed to create meaningful connections:

- A **drawing session**, where children expressed their creativity through colors and illustrations.
- A **music and dance workshop**, which brought joy and energy to all participants.
- A **calming yoga session**, promoting mindfulness and relaxation.

Additionally, food parcels containing non-perishable items, sandwiches, biscuits, and fresh fruits were distributed. These items, generously contributed by the college community, were meticulously packed to ensure quality and hygiene. The heartfelt gratitude expressed by the children and families at the center underscored the positive impact of the initiative.

Outcome of the Activity

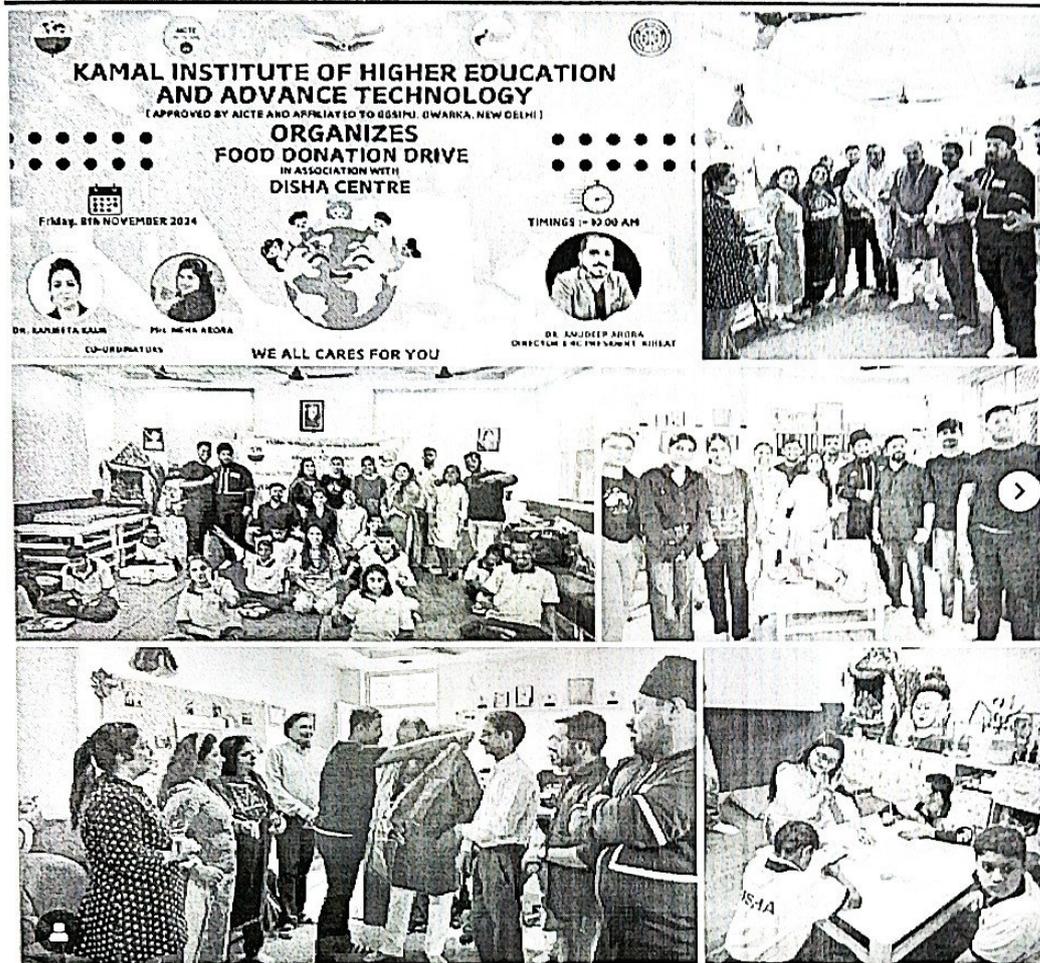

1. **Empathy and Social Responsibility:** Students developed a deeper understanding of societal challenges and the transformative power of compassion.
2. **Creative Engagement:** Participants were able to express their insights and foster connections through creative activities.
3. **Community Bonding:** The event strengthened ties between the institute and the community, encouraging collaborative efforts.
4. **Inspiration for Future Initiatives:** The success of this activity inspired students to explore more opportunities for community service and social impact.

Conclusion

The **Food donation drive** and visit to the **DISHA Center** were highly impactful, achieving their objectives of promoting compassion and social responsibility. The activities provided students with an enriching experience, allowing them to engage meaningfully with the community. This initiative set the stage for future efforts aimed at creating a more inclusive and caring society, reflecting the institute's commitment to fostering positive change.

Blood Donation Camp - Report

On March 26th, 2025 Kamal Institute of Higher Education and Advance Technology (Affiliated to Guru Gobind Singh Indraprastha University), New Delhi organized a blood donation camp by Lions Blood Bank in collaboration with Sankalp - NSS unit of KIHEAT.

Most of the students actively participated in the camp and contributed in this noble cause which will save lives and make a significant impact on the well-being of our community. This contribution can help in emergencies, surgeries, and treatments for those battling various health conditions.

Students from various courses, including BBA, BCA, B.Com (H), B.A Eco (H) and BA(JMC) enthusiastically participated in the blood donation camp.

Every donation can make a life-saving difference. So, KIHEAT family came together and supported this cause. Our generosity will bring hope and healing to those in need.

The main aim of blood donation camp for students is to promote awareness about the importance of donating blood, encourage altruism and community service, and contribute to saving lives by increasing the blood supply for those in need.
