

NEWS LETTER---B.Ed. Programme

VOL. 24
JAN.TO JUNE -2025

"Stepping Ahead with Purpose: Semester IV & II Orientation Session 2024-25"

An orientation program for Semester IV students of the B.Ed. department was held on January 10, 2025, in the ET Lab at Kamal Institute of Higher Education and Advanced Technology. The session was attended by the Principal, faculty members, and students. Principal Dr. Priti Srivastava addressed the students, offering valuable insights into both optional and core subjects. She highlighted the importance of selecting optional

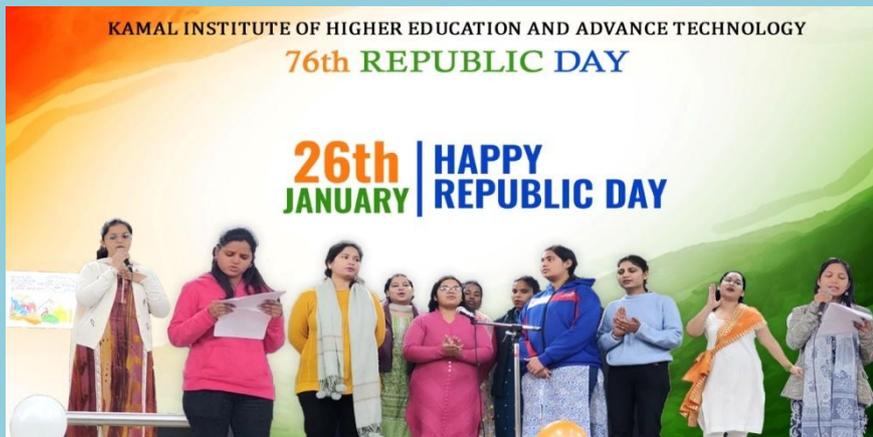

subjects aligned with individual interests and career aspirations. Dr. Srivastava also emphasized the growing role of technology in contemporary teaching, discussing effective classroom management strategies and ways to enhance student engagement. She provided an overview of the core subjects that form the foundation of the B.Ed. programme. The orientation program effectively acquainted students with the academic expectations of the semester. The Principal concluded by motivating them to remain committed to their journey toward becoming inspiring and impactful educators.

Principal Dr. Priti Srivastava addressed the students, offering insightful guidance on pedagogy and core subjects. She highlighted the crucial role of pedagogy in shaping effective educators and emphasized the integration of technology in modern teaching practices. Dr. Srivastava also discussed classroom management strategies and ways to enhance student engagement. Additionally, she outlined the core subjects that form the foundation of the B.Ed. programme and encouraged students to actively participate in the learning process. She stressed the importance of continuous learning and professional development for future educators.

The Republic Day celebration2K25

The Republic Day celebration was organized by the students of B. ED Department of Kamal Institute of Higher Education and Advance Technology on 24th January 2025. The students presented a vibrant cultural program that beautifully showcased national pride and unity. The celebration featured a heartfelt patriotic song, an energetic dance performance, a touching poem recitation, and powerful motivational speeches centred on constitutional values. Educationally significant, the event emphasized the importance of understanding and upholding the principles enshrined in the Constitution, fostering awareness about democratic values and national integration. Through these performances, students not only expressed their patriotism but also engaged in experiential learning that deepened their appreciation for India's democratic ethos. The Republic Day celebration effectively instilled a strong sense of national pride and constitutional responsibility among all participants.

Unleashing Talent at Anugoonj 2025

The Anugoonj Prelims 2025 were organized across five zones, with Kamal Institute of Higher Education and Advanced Technology (KIHEAT) falling under Zone IV, hosted at Maharaja Surajmal Institute, Janakpuri. This vibrant event was a grand celebration of talent and creativity, acting as a precursor to the much-anticipated annual cultural fest of the university. The prelims were conducted with immense enthusiasm, bringing together students from various affiliated colleges to showcase their artistic flair and engage in healthy competition. Spanning three days, the event featured 30 diverse competitions. The B.Ed. department of KIHEAT actively participated in 12 events and achieved remarkable success by securing 1st position in two categories: Mono Acting and On the Spot Painting, highlighting the talent and dedication of its students.

Rising Stars of KIHEAT Shine at Anugoonj

WORKSHOP ON

Skills That Speak Louder: Empowering Students Through Soft Skills

On 20th February 2025, a workshop on “Skills That Speak Louder: Empowering Students Through Soft Skills” was conducted by the student counsellor **Ms. Preeti Sinha** for B.Ed. students at the Kamal Institute of Higher Education and Advanced Technology. The session, held at 12:30 PM, highlighted the significance of soft skills such as communication, leadership, teamwork, emotional intelligence, and problem-solving—essential traits for future educators.

Ms. Sinha explained these concepts with real-life examples, demonstrating how effective communication and classroom management enhance teaching outcomes. Interactive activities like group discussions on classroom scenarios helped students apply and reflect on these skills in practice. The workshop promoted active participation, with students engaging in discussions and seeking advice on integrating soft skills with academic pedagogy. Ms. Sinha addressed their queries with practical strategies, including role-playing and peer feedback, making the session both informative and experiential. Throughout the session, Ms. Sinha encouraged

open discussion and was attentive to the trainees' queries. Many B.Ed. students asked insightful questions about how to balance soft skills with academic teaching techniques, and how to practically apply them in their future classrooms. Ms. Sinha provided thoughtful responses, offering strategies like role-playing and peer feedback to help trainees practice these skills in a safe and supportive environment.

"Read, Reflect, and Rejoice: Students at the Book Fair 2025"

The educational trip to the Book Fair proved to be an enriching and insightful experience for the students and faculty of Kamal Institute. It offered a valuable platform for students to access a diverse collection of books and educational tools while engaging in meaningful discussions with peers and faculty on how these resources could enhance their future teaching practices. The event encouraged critical thinking about the significance of literature in shaping young minds and promoting lifelong learning. Faculty members, too, benefitted from exploring a variety of professional development resources, with several publishers presenting the latest research and innovative methodologies in teaching. Overall, the trip was a resounding success, sparking a renewed sense of enthusiasm among students and faculty alike. It reinforced the importance of reading, staying updated with educational advancements, and highlighted the role of books in both personal enrichment and professional excellence. Both students and faculty expressed heartfelt gratitude to the organizers for providing such a well-curated and inspiring event.
